PROOF FILING INFORMATION

The usual method of showing ***proof*** of financial responsibility is to provide a California Insurance Proof Certificate (form SR22/SR-1P) from an insurance company authorized to do business in California. The ***types*** of coverage on the form SR-22/SR-1P are listed below:

SR-22 - A motor vehicle liability policy may be provided to cover only vehicles registered in your name (owner's policy), only to vehicles you do not own (operator's policy), or all vehicles whether you own them or not (broad coverage). This certificate is acceptable for all DMV actions requiring proof of financial responsibility.

SR-1P - An automobile liability policy or a liability policy may be provided to cover vehicles with less than four wheels. This certificate is used after an accident without insurance, for negligent operator sanctions per §12810.5 VC, or for an application by a minor requiring proof.

To obtain a California Insurance Proof Certificate, contact an insurance agent or broker. **DO NOT SUBMIT** a copy of your policy or application, as it cannot be accepted in place of the California Insurance Proof Certificate. If necessary, persons unable to obtain this insurance coverage through their regular insurance company may have any insurance agent or broker make an application to the California Automobile Assigned Risk Plan. The Plan may be contacted directly for information at:

California Automobile Assigned Risk Plan
P.O. Box 7917
San Francisco, CA 94120-7917

Proof of financial responsibility may be met by a $35,000 cash deposit or $35,000 surety bond. Proof may also be filed by a self-insurer on behalf of an employee to permit driving vehicles owned by the self-insurer within the scope of employment. Bond information must be obtained from a surety bond company authorized in California. For information on the cash deposit or self-insurance, you may call (916) 657-6421, or write:
